

Postal Pack

Great Features

- All products are 22mm width, qualifying as a “Large Letter” under UK mail guidelines
- Bottle sizes 150ml and 320ml with closure to suit
- Wide bottle neck for high speed filling
- Sealed for freshness foil seal liner within the closure
- Clip on “easy-off” closure

Great Benefits

- Significantly **reduces postal costs** against standard round containers (see table below)
- Products **go through the letterbox first time** – no inconvenient customer collection
- Contents **stay fresh** after filling thanks to the foil seal and after-opening retained wad
- Allows for multiple bottles to be posted together within the large letter size limits
- **Easy to handle and fill** with your products
- **Consumer friendly** and easy to use
- Efficient use of **shelf space** in home or in store
- Packs can **reduce your packaging waste** obligations
